

OPERATION INSTRUCTION 04/16

**Prohibition on use/carriage of Samsung Galaxy Note 7 mobile phone within Bahrain
International Airport (BIA) or on board aircraft**

In light of the global product recall due to battery issues announced by Samsung regarding Galaxy Note 7 model personal electronic device involving the risk of spontaneous combustion, the Bahrain CAA requests with immediate effect, and until further notice-

1. No Samsung Galaxy Note 7 personal electronic device shall be permitted within BIA. This shall be communicated to all employees and the public.
2. Samsung Galaxy Note 7 personal electronic devices shall not be carried on an aircraft, stowed in any checked-in or in carry-on baggage.
3. Appropriate action shall be taken by all stakeholders to ensure compliance with this Instruction (including transit/transfer passengers), and effectively manage any situation arising from the risks posed by this product.

This Instruction supersedes and replaces Operation Instruction 3/16 dated 12 September, 2016.

Mohamed Thamir Al Ka'abi

Undersecretary for Civil Aviation Affairs

Date: 20th October, 2016
